

CORPORATE MANAGEMENT

Doing the right thing

Exemplary corporate management encompasses much more than simply fulfilling the general requirements of corporate governance and compliance.

EMPLOYEES

Moving forward together

Our employees are our most important asset. A key element of our corporate responsibility is being an employer of choice for them.

BUSINESS

Generating sustainable success

Our sustainability activities have their greatest

SOCIETY

Promoting the common good

As a successful finance company, we operate at

impact in the financial sector. DZ BANK leads the way in combining success and commitment.

the heart of society. Corporate social responsibility is part of our cooperative tradition.

ENVIRONMENT

Protecting the environment

One of the most urgent challenges faced by politics and business alike is how to preserve the environment for future generations. We therefore give high priority to environmental protection.
